

REMARKS

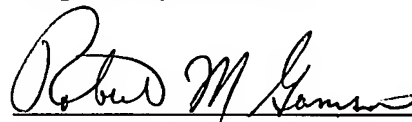

The Notice of Non-compliant Amendment stated that complete paragraphs were not provided on pages 8, 11, 12 and 13 of the Amendment submitted on April 12, 2007. The amended specification has been revised to include the initial sentences and final sentences of those paragraphs in which material is being added (as shown by underlining) and which material is being deleted (as shown by strike through lining).

The claims have been amended to list all of the claims, that is claims 1-32.

As noted in item 2 of the bottom of the enclosed Notice of Non-Compliant Amendment, the correction required is only the corrected section of the Amendment.

Respectfully submitted,
